

School of Transformation Requirements

One of the goals of this ministry school is to give you a safe place to step outside of your comfort zone and to challenge you to take risks as you discover your identity in Christ, because there is more to you and in you than you yet know. As such, there are a variety of areas in which we ask students to stretch themselves beyond their current level of experience and comfort. Although you may discover through trying that these are not things you are specifically called to, we believe you will find greater freedom in taking the bold step of doing something which may be uncomfortable for you. Who knows, more of your destiny may be lying behind one of these steps!

Remember that this is a list of the minimum requirements we have seen to be very fruitful in students' growth through the years. Please understand **the more you put in, the more you will reap**. But we also understand that students are joining with a very wide range of previous life commitments, and this list may stretch some to their max, while for others they could do much more. So be bold and try to take advantage of as many opportunities as you are able to!

“God did not give us a spirit of fear, but rather a spirit of power and of love and of self-discipline.” -2 Timothy 1:7
